valorresourcegroup.com

Valor Resource Group LLC provides medical courier and specimen transport, DNA and paternity collection, drug and alcohol testing, and veteran community stabilization programs including residential housing ownership. We are a woman-owned, minority-owned small business built to serve federal agencies, state programs, and community partners with compliance-driven, mission-centered operations.

CORE CAPABILITIES

Medical Courier & Specimen Transport

- Specimen pickup and delivery: urine, blood, swabs, DNA, toxicology
- Clinic-to-lab and lab-to-lab transport
- STAT and scheduled medical deliveries
- HIPAA-aligned handling and chain-of-custody documentation
- Temperature-aware transport protocols
- Support for VA clinics, labs, and community health programs

DNA & Paternity Collection

- Court-ordered and voluntary paternity collection
- Immigration DNA collection support
- Chain-of-custody compliant specimen handling
- Mobile collection — clinic, home, or facility

Drug & Alcohol Testing

- DOT and non-DOT compliant testing programs
- Pre-employment, random, post-accident, reasonable suspicion
- Mobile collection for employers and federal agencies
- Full documentation and chain-of-custody management

Veteran Community Stabilization

- 6-month transitional housing coordination for veterans and families
- Employment connections through local business and agency partnerships
- Case management and individualized service planning
- Intake, eligibility screening, and documentation support
- Resource navigation and community referrals
- Trauma-informed, culturally responsive service delivery

Residential Housing Ownership

- Acquisition and management of veteran-designated housing units
- Transitional and permanent housing for veterans and families
- HUD and VA Grant and Per Diem (GPD) program alignment
- Long-term housing stability for veteran households

READINESS STATEMENT

Valor Resource Group LLC is currently operational across all five service lines. Medical courier, DNA collection, and drug and alcohol testing services are available for immediate engagement. Veteran housing coordination and residential housing acquisition are in active development with funding pursuit underway. The founder's professional background in HIPAA-regulated healthcare environments provides a strong compliance foundation from day one. SAM.gov registration is active with UEI and CAGE code assigned. WOSB certification is in progress. Our organizational structure is designed to scale rapidly upon contract award, with a clear roadmap from courier operations to full integrated service delivery.
